*Scoring is in accordance with regular YCMBT rules. Prize structure is based entirely on number of boats entering the above added value category. Prize money listed is amount paid out in 2011 based on 20 boats participating. Should there be fewer than 20 participating boats, prizes decrease accordingly, just as a greater number of entries increases the prizes. In addition to the entry fee for all added-value optional categories, each participating angler must be registered in the YCMBT. **Entry fees paid after March 12, 2012 must be in the form of cash or cashier's check.** Please see official rules for details. **The 30th Anniversary \$1,000 prize will be awarded to the registered angler who catches the single eligible fun fish (Dolphin, Tuna, Kingfish or Wahoo) weighing closest to 30 lbs. on Saturday only. This prize is available to anglers in both the one day and two-day YCMBT tournaments. If there is a tie, the winner will be the angler whose fish is weighed first.
